MMVTA introduces Get IT FREE transit offer

Mid Mon Valley Transit Authority (MMVTA) is now offering a new program designed to help individuals who are currently unemployed or underemployed to better their position in today's economy and workforce.

The "Get an INTERVIEW. Get a RIDE. Get the JOB. Get 10 trips on US." program allows qualified Valley residents to ride the bus anywhere in the MMVTA service area, including downtown Pittsburgh when traveling to a job interview.

"We have all been feeling the pain of today's economic climate, and the MMVTA is committed to helping the communities and residents that it serves," said MMVTA Executive Director Valerie Kissell.

"The people of the Valley are the true reason we are here, and the MMVTA feels that this undertaking will make it a bit easier to travel to possible places of employment."

MMVTA will give those registering up to three complementary round trips for interview travel, and an extra bonus if an interview leads to a new job.

"If the job interview that our services got you to leads to employment, the MMVTA will sweeten the deal by providing you with a free book of 10 trip tickets for travel on any of our routes," said Chairman of the MMVTA Board of Directors Dr. Harry Miale.
